

Proposals for the 3d Volume of THE COON-SKINNER.

There is no doubt but that in the coming Presidential election we are to witness a contest of the most extraordinary character for the history of our country...

As we have already been informed in this State at least, an attempt will be made to revive all the humbug and miserable falsehoods of 1840. We say attempt, because it has already been tried, but failed.

We propose to commence the publication of an extra sheet, to be called the COON-SKINNER, commencing about the middle of April, and to continue six months, or to the Presidential election.

We are aware that some of our party have objected to the title of the paper. This is not a title, either way. From experience, we are satisfied that what it was called "Shot-gun" is an appropriate title.

A copy of the Revised Code will be given to the person sending us the largest list of subscribers.

One copy 6 months \$0.50
Ten copies (sent to one address) 5.00
Twenty " " " " 10.00

It is desirable that persons should club together and have the whole number of papers directed to some one office. In this way we are enabled to mail them rapidly, and supply them with the earliest intelligence.

Our cotemporary will lay us under renewed obligations by giving the names of a few officers, which favor shall always be reciprocated with.
